MD ABIR HASAN DIPU

SENIOR TECHNICAL SUPPORT ENGINEER | CLOUD HOSTING | WORDPRESS & LINUX

Dhaka, Bangladesh | WhatsApp: @abirhasan662 | abirhasandipu.dev@gmail.com
abirhasan.dev | github.com/abirhasandipu | LinkedIn

PROFESSIONAL PROFILE

Technical support and cloud hosting professional with nearly five years at WPDeveloper / xCloud, progressing from junior engineer to Senior Technical Support Engineer. Experienced in WordPress troubleshooting, Linux server operations, incident response, migrations, performance, customer escalations, and cross-functional product improvement. Independently explore and develop software projects outside of work.

CORE COMPETENCIES

Hosting & infrastructure: Linux, Nginx, WordPress, Redis, DNS, SSL/TLS, Cloudflare, server monitoring, backups and migrations

Support & operations: Complex troubleshooting, incident management, customer escalations, peer mentoring, documentation, QA and billing issues

Development & tools: PHP, JavaScript, Vue.js, React, Laravel, Tailwind CSS, MySQL, Git, Docker, WP-CLI, AI-assisted workflows

PROFESSIONAL EXPERIENCE

WPDeveloper / xCloud | Dhaka, Bangladesh — Jan 2022 – Oct 2026

Senior Technical Support Engineer | Feb 2026 – Oct 2026
Technical Support Engineer | May 2023 – Jan 2026
Junior Technical Support Engineer | Jan 2022 – Apr 2023

- As a senior engineer, reviewed complex support cases, provided technical guidance to fellow engineers, supported onboarding, and shared troubleshooting practices to maintain support quality.
- Investigated and resolved WordPress, PHP, database, DNS, SSL, networking, and server-level problems affecting site availability, reliability, and performance.
- Administered and monitored Linux-based hosting environments, working with Nginx, Redis, system services, logs, resource usage, caching, and routine performance tuning.
- Handled high-priority customer escalations and infrastructure incidents, coordinating diagnostics, customer communications, and recovery steps with internal teams.
- Guided customers through website and server migrations, backup strategies, restoration procedures, and disaster-recovery scenarios.
- Performed WordPress troubleshooting, plugin/theme conflict analysis, security hardening, performance optimization, and WP-CLI-based maintenance.
- Partnered with engineering and product teams to reproduce defects, test releases, validate fixes, suggest features, and improve the xCloud customer experience.
- Contributed frontend improvements using Vue.js and Tailwind CSS and helped identify UI/UX defects during internal quality assurance.
- Supported customer meetings, billing-related investigations, internal technical documentation, and AI-assisted support workflow improvements.

EARLIER EXPERIENCE

SoftifyBD
Nov 2020 – Apr 2021

Junior Software Developer | ASP.NET MVC 5

- Implemented frontend UI updates, small features, and bug fixes in ASP.NET MVC 5 projects while collaborating with senior developers.

Melonades
Jan 2013 – Oct 2015

Graphic Designer

- Created logos, banners, marketing materials, and web UI concepts; worked with clients to turn visual requirements into usable designs.

INDEPENDENT PROJECTS | OUTSIDE OF WORK

Independently work on personal web and mobile software projects during free time, exploring product ideas, prototyping features, and building practical solutions. These projects help strengthen development skills and experience with modern tools and technologies.

SELECTED EARLIER PROJECTS

BookMart | University capstone, 2019–2020: Social platform for readers with book search and administrative CMS (PHP, jQuery, MySQL, Bootstrap).

Other projects: React portfolio/blog (2021), Arduino Uno home automation (2019), and Android image-sharing app using Java and Firebase (2019).

EDUCATION

B.Sc., Computer Science and Engineering | Daffodil International University | Jan 2016 – Jul 2020 | CGPA: 3.12/4.00

Higher Secondary Certificate | Royal Media College, Mymensingh | 2012 | GPA: 4.00/5.00

Secondary School Certificate | Mukul Niketan High School, Mymensingh | 2009 | GPA: 4.56/5.00

ADDITIONAL TECHNICAL SKILLS

Languages/frameworks: PHP, JavaScript, ASP.NET MVC 5, WordPress, Laravel, Vue.js, React, Tailwind CSS, HTML/CSS

Databases & design: MySQL, MongoDB; Figma, Adobe Illustrator, Adobe Photoshop

LANGUAGES

Bangla (native) | English (IELTS Academic 7.0 overall; Listening 7.0, Reading 7.5, Writing 6.5, Speaking 7.0)
